BLOK CHARITY AUTO

On January 2002, your Honorable Board of Supervisors authorized the Fire Chief to accept funds donated to the Consolidated Fire Protection District (District) by the BLOK Charity Auto (formally known as the National Charity Support Foundation) through a vehicle donation program. At that time, the District's intent was to enhance the Public Education Unit by providing quality reading books to children at little or no cost and a zero-emissions propane powered Fire Department-themed "bookmobile."

To date, the program has not generated sufficient funds to implement the proposed program. Therefore, we will be changing our focus and will utilize the funds derived from this program to assist with our sustainable Public Education efforts. One such program is the Shakey Quakey Earthquake Education Program, which provides education on earthquake preparedness for children at schools and other events.

If you have any questions, please contact me at (323) 881-6180 or your staff may contact Kathleen Zelenski, Compliance Officer, at (323) 881-2377.
